The pay of Excise Office Sub Inspectors was raised from 10 Rs to 12-1-15 with effect from 1-7-03 a Govt dates 30 11 03 The Excise Comr did not give effect to the orders till the year 1907 when he approached Govt to renew the sanction accorded by the order of 30 11 03 In his letter to Govt he states that he had sanctioned the increase of pay of Sub inspectors from in all 10 to 12 with effect from 1 7 06 and Except that in some 9 cases in which he had sanctioned Enhanced pay and increments also with retrospective effect In the office note it is stated that it occured to better to give Enhanced pay of 12 Rs to all the Sub Inspectors from 1 7 06 but this was not definitely stated in the Govt order as it was to understood that some officials had actually drawn it with retrospective effect & it was not considered desirable to make them refund the sums already drawn

The delay brought once is disgraceful & my own belief A deliberate ignoring of a Govt on an important & difficult subject without apparent reason or explanation & much contempt of the Govts appeal hereby (can scarcely be Mr Chirol's case as the Govts requisition are too long in force now even for delay) But this instance affords a typical example of the sort of work that the Govts office is capable of & Govt forms part Let us make sure how many more such cases are remaining to be dealt with The Govt can be asked & press for information within a reasonable time

Sir

In forwarding herewith a supplemental bill for R. 130-10-5 on account of arrears of increments of pay due to office Sub-Inspectors Subbanna and Venkanna Char of the Chitaldrug District for the period from 1-7-'03 to 1-7-'08, I have the honor to state as follows

1 Pay of Office Sub-Inspectors was raised from R. 10/- to R. 12-1-15/- per mensem by Government in their Proceedings No 1437-8/Ex.F.1 of 1897-'98 dated 30th November 1903 but with a view to ascertain the worth of every Office Sub-Inspector effect was not given to the Government order immediately Several bills which were subsequently presented for payment at the Treasuries on account of arrears of increment were not honored by the Treasury Officers as per instructions issued by the Comptroller Renewal of sanction was therefore sought for and the same was conveyed by Government in their Order No 7880-7/S.R.10-06-2 dated 19th April 1907

7886-7
5a 101-6-2

2 Subsequently the bills referred to above, were received in the usua course, along with other bills from the Deputy Commissioner Chitaldrug District, and forwarded to the Comptroller for the first time in the month of January 1910 and since then the matter has been under correspondence between him thi office and the Deputy Commissioner re the correct preparation of the bills.

3 It is now stated by the Comptroller to Government that audit registers prior to 1905-06 having been destroyed as per rules, the claims for this period cannot be verified and that fresh bills for the claims relating to the subsequent period may therefore be prepared and forwarded for verification It is observed from the file of correspondence that there was no undue delay on the part of any particular office in the matter.

4. Under these circumstances I am of opinion that the observation made by the Comptroller does not appear to be quite justifiable as it would operate as a hardship on poor official who have been recommended for the increment for good work, and it appears to me that it would be unreasonable to deprive them of the increment earned by them owing to some circumstance over which they have had no control and for which they cannot be held least responsible Necessary certificate has been affixed to the bill, that the amount claimed in it has not been drawn on any of the former bill

5. I therefore request that sanction of Government may kindly be obtained for the payment of the amount of the bill under reference

6. The file of correspondance relating to the bill is sent herewith.

I have the honor to be

The pay of Excise Sub Inspectors was raised from Rs 60 to Rs 72-1-15- with effect from 1-7-1903 vide GO 1437-8/471-97 dt the 30/11/1903 and effect was not given to it till 1907 when sanction to

renewed by Govt in SD no. 7886-7/SR 107-0
of the 13th April 1907, according to which the
increments of some Sub Inspectors were
to be given with retrospective effect and of
others only from 1-7-1906

2 It is not clear why so much time
has been taken to apply this order to the
present case and why the bills now
submitted for sanction were prepared and
sent to the Comptroller for audit for the
first time only in January 1910

3. As nothing has been drawn on
behalf of the present claimants prior to
1-7-1906 Govt consider it sufficient
if the enhanced pay and increments
are given to them only from that date
As the Comptroller has got the audit
registers from 1905-06 onwards and
the claims subsequent to this period are
verifiable by him the bills are sent
to him for audit and authorising payment
being authorised

by the Comptroller as it relates to a period subsequent to 1700-06 and for which the Comptroller has not audit registers. Under the circumstances of the case I am pleased to sanction the payment of the claims prior to this period and direct the Comptroller to investigate the subsequent claims.

I regret to notice the unwarrantable delay of nearly 11 years which has taken place in the P.O. of 1903 being given effect to. I would like to know if there are any similar cases not yet disposed of without further delay and in which case you are requested to arrange with the Comptroller for the audit registers relating to these claims being preserved sufficiently long until all these claims are disposed of.

Thanks
